ANTICIPATED PROJECT SCHEDULE

- **Public Meeting #1**
March 8, 2023
- **Preliminary Design Complete**
Spring 2023
- **Public Meeting #2**
Summer 2023
- **Semi-Final Design**
Summer 2023
- **Final Design**
Fall 2023
- **Bid Advertisement**
Winter 2023/2024
- **Construction Contract Award**
Spring 2024
- **Construction Begins**
Summer 2024

PROJECT DETAILS

The project is a Complete Streets initiative and intends to enhance environments for all road users, including motorists, cyclists, and pedestrians, by including the following:

- Provide multi-use paths on both sides of Germantown Road. A multi-use path is an off-street path to be used by pedestrians and cyclists.
- Improve ADA accessibility and installation of ADA ramps.
- Preservation or restoration of existing pavement via milling and resurfacing, reconstruction or full depth reclamation, as needed.
- Pedestrian-scale lighting is to be provided on both sides of the street in addition to street lighting atop utility poles.
- A few new and/or relocated trees will be planted between the roadway and multi-use paths.

Delray Beach, FL 33444

BACKGROUND

The City of Delray Beach was awarded a federally funded grant from the Palm Beach Transportation Planning Agency (TPA) under its Local Initiatives Program for the Germantown Road Complete Streets Project. The grant will partially fund approximately 40% of construction and the remaining 60% will be funded by the City.

Enhancements, including multi-use paths along both sides of Germantown Road, will be completed from Old Germantown Road to South Congress Avenue.

The City of Delray Beach has contracted Propel Engineering, Inc. to provide engineering and surveying services. The services will include the preparation of a construction plan and improvements to pedestrian-scale lighting and signing and pavement markings. All work will be done in the existing right-of-way.

Design documents for construction of this project will be provided as part of the City's Capital Improvement Plan (CIP). Design will be strictly limited to the scope included in the grant agreement award from the TPA.

GET INVOLVED

The City of Delray Beach and the project team strongly believe that public participation is an important factor in this project. Throughout this project, the team will notify all property owners, tenants, residents, and stakeholders about the potential impacts associated with the project.

Share your thoughts and input by participating in our upcoming public meeting.

You will have the opportunity to participate in a hybrid meeting, meaning you can engage with the project team either virtually or in-person.

Public Meeting #1
Wednesday March 8, 2023
Virtual Meeting – 5:30 PM
In-Person Meeting – 6:30 PM

All meetings will be recorded and available for viewing on the project website:
www.GermantownRoadImprovements.com.

Virtual: If you do not wish to attend the Public Meeting in person, you can join virtually at 5:30 p.m. on Tuesday, March 8, 2023. To join the meeting, please use the following link: <https://attendee.gotowebinar.com/register/922783154182660186>. To join by phone, please dial 1-914-614-3221; Access Code 544-680-422.

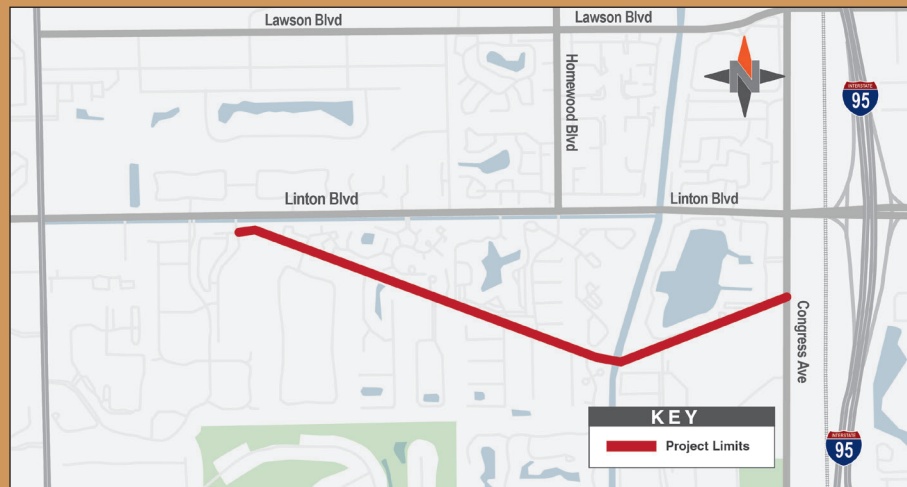

In-Person: The in-person meeting will begin at 6:30 p.m. on Wednesday, March 8, 2023, at Swinton Operations Complex located at 434 S. Swinton Avenue, Delray Beach, FL 33444.

Visit the Project Website:

Over the course of the Germantown Road improvements, the project website will be updated with the latest information, including links to all presentations and project materials.
