

## PROJECT DESIGN

*Typical Section of Proposed Improvements*

## PROJECT SCHEDULE

- **Notice to Proceed (NTP)**  
May 17, 2022
- **Preliminary Design Submittal**  
August 30, 2022
- **Initial Engineering (30% Design) Submittal**  
February 21, 2023
- **Public Meeting #1**  
March 8, 2023
- **Constructability Plans (100% Design) Submittal**  
September 28, 2023
- **Public Meeting #2**  
October 19, 2023
- **Production (Construction Documents)**  
January 2024
- **FDOT Issues Authorization to Bid**  
March 2024
- **Invitation to Bid Construction**  
April 2024
- **Construction Begins**  
Approx. August 2024

## PROJECT DETAILS

The project is a Complete Streets initiative and intends to enhance environments for all road users, including motorists, cyclists, and pedestrians, by including the following:

- Provide shared-use paths on both sides of Old Germantown Road (width varies 10 to 12 feet).
- Provide 10-foot and 6-foot-wide sidewalks along SW 22nd Avenue on the east and west sides, respectively, from Old Germantown Road to just north of Sabal Pine Condominiums.
- Improve ADA accessibility and install ADA ramps.
- Preserve or restore existing pavement via milling and resurfacing, as needed.
- Provide pedestrian scale-lighting on both sides of the street in addition to existing Cobra head lighting atop utility poles.
- Plant a few new and/or relocated trees between the roadway and multi-use paths.

Public Works Department  
434 S. Swinton Avenue  
Delray Beach, FL 33444

## BACKGROUND

The City of Delray Beach was awarded a federally funded grant from the Palm Beach Transportation Planning Agency (TPA) under its Local Initiatives Program for the Old Germantown Road Complete Streets Project. Enhancements, including multi-use paths along both sides of Old Germantown Road, will be completed from Old Germantown Road to South Congress Avenue.

The City of Delray Beach has contracted Propel Engineering, Inc. to provide engineering and surveying services. The services will include the preparation of a construction plan and improvements to pedestrian-scale lighting and signing and pavement markings. All work will be done in the existing right-of-way. The first public meeting was held on March 8, 2023, providing an opportunity for the community to provide input. Following the first public meeting, the project team visited with stakeholders who reside along Old Germantown Road, to explain potential impacts of the project and receive additional input.

Design documents for construction of this project will be provided as part of the City's Capital Improvement Plan (CIP). Design will be strictly limited to the scope included in the grant agreement award from the TPA.

## GET INVOLVED

The City of Delray Beach and the project team strongly believe that public participation is an important factor in this project. Throughout this project, the team will notify all property owners, tenants, residents, and stakeholders about the potential impacts associated with the project.

Share your thoughts and input by participating in our upcoming public meeting.

You will have the opportunity to participate in a hybrid meeting, meaning you can engage with the project team either virtually or in-person.

**Public Meeting #2**  
**October 19, 2023**  
**Virtual: 5:30 p.m.**  
**In-Person: 6:30 p.m.**

**Virtual:** If you do not wish to attend the Public Meeting in person, you can join virtually at 5:30 p.m. on Thursday, October 19, 2023. To join the meeting, please use the following link:  
<https://register.gotowebinar.com/register/5139207942266377560>.  
To join by phone, please dial  
1 (914) 614-3221; Access Code 256-300-226.

**In-Person:** The Public Meeting will be held in person at Swinton Operations Complex located at 434 S. Swinton Avenue, Delray Beach, FL 33444 on Thursday, October 19, 2023. The in-person meeting will begin at 6:30 p.m.

### Visit the Project Website:

Over the course of Old Germantown Road improvements, the project website will be updated with the latest information, including links to all presentations and project materials.

All meetings will be recorded and available for viewing on the project website:  
[www.GermantownRoadImprovements.com](http://www.GermantownRoadImprovements.com).

## PROJECT MAP

**The limits of this project are** Old Germantown Road, from Park Access Road to South Congress Avenue and a portion of SW 22 Avenue, from Old Germantown Road to just north of Sabal Pine Condominiums.
